Hey Class of 2017,

"It"s Alix Flores with your morning announcements." Here's the biggest announcement, GRADUATION IS HERE! We have completed four years of hard work, late nights, A Cappella practice at 7 in the morning, soccer, football, basketball practice after school, play rehearsal late into the night, and oh yeah, exams, tests, quizzes and papers. But here we are, about to launch into the future. In this yearbook, we celebrate our boys basketball team winning the state championship, while we also pay tribute to Davonte Neal, who while gone, is not forgotten.

As your yearbook President, I want to thank the yearbook staff: Anna Griffin, Ayub Farah, Roan Mohamed, Tenzin Nangsel, Aidan Richards, Maroua Ouadani, Zaida Block and Marilyn Attles. We were a team that worked tirelessly to get senior's photo. I also want to thank our awesome advisors: Mr. Marden & Ms. Montgomery, for their wisdom and guidance. Also shout out to B Tynes and Principal Smith! CRLS would not be the same without your leadership.

To all the seniors in this yearbook, cherish the memories that we have made and will make. Always remember the friendships we have forged, and the crazy, fun, sad and serious things we've been through together. This might be the end of our Senior year, but it's the beginning of the next chapter in our lives. Whether your plan is college, career, travel or the Peace Corps, next year we will all be in different places, with fresh new starts. See you at the 10 year reunion in 2027!

From your yearbook Editor in Chief
Alix Flores

Letter from your Student Body & Council President

Dear Class of 2017,

On the first day of high school nearly four years ago, we all gathered nervously in the auditorium surrounded by complete strangers with the hope that we'd be able to survive the next four years. Little did we know that some of the strangers surrounding us would soon become our best and most beloved friends.

When we think of the class of 2017, the first word that comes to mind is extraordinary. This class is full of talented musicians, athletes, dancers, artists, entrepreneurs, and leaders. At such a young age, we have been able to accomplish so much! Imagine the amazing places we'll be 10 years from now!

These last four years have been incredible! Despite our frequent disagreements regarding class gear, senior skip day, and almost everything else, there are no other people we'd want to spend them with. The relationships we've formed will last a lifetime. The memories we've made, whether they be daily trips to Angelo's, bonding on a sports team, animosity towards a certain grade, or spoon game tragedies, will stay with us for many years to come.

Thank you to all of you for being such kind, devoted, and wonderful people. Good luck with all of your future endeavors and make sure to remember the people that shaped your character in high school.

Gratefully,

Zahyyeh Abu-Rubieh, Senior Class President

and Kester Messan-Hilla, Student Body President

Davontè Neal Memorial Page

Cambridge lost one of its own prior to the 2014-15 season when junior Davonte Neal passed away from cancer at the age of 16. The season continued for the Falcons, as they dedicated every win during the pursuit of a championship to their fallen teammate. The Falcons have since won the State Championship the past two years.

"Davonte's close friends have kept and continue to keep his memory alive at CRLS. They have shown us all what true love and friendship means."

"You drove me to be be a better man and I can't thank you enough Sweets."

"I'm never gonna forget about our memories in middle school. Brothers forever"

"Everything I do if you always thinking bout you and you are never forgotten love you sweets"

"I would just like to say that I am blessed to be able to be apart of the beautiful life of Davonte. I'm glad I was able to gain a great relationship and be able to call him more than a friend, but a brother. The days get long and things get tough, but I just think about my dear friend and think of the struggles that he had to go through. He handled every situation like a true warrior and he was there with us every step of the way. Winning back to back state titles have bought our city together in numerous ways and we've lifted your name to new heights. NEVER FORGETTEN, #DAVONTESTRONG #JD5"

"Davonte Neal..My brother SWEETS!! Words can't describe how much I miss you fam. You have given me strength and purpose to continue through high school and be the man I am today. I miss all the good times we spent together and I have cherished every last one. As I walk across the stage on graduation day, you'll be right next to me grabbing that deploma. Love you brother!!"
